

Sports Premium Spending Report

Total amount awarded : £20,840.00

SUPPLIER/ Description	Impact	AMOUNT (Net Total)
<u>Complete PE</u> Membership up to 16 Users	• Use of educational platforms and resources - More engaging curriculum - Variety of PE topics covered with a variety of topics, including dance, gymnastics, sports, games, etc. - Increased staff knowledge and understanding of each sport and also how to adapt and amend each activity for SEND pupils.	£125.00
<u>Mobile Pools UK</u> Mobile Swimming Pool	• Top-up swimming lessons or broadening aquatic opportunities for pupils - Pupils who had never entered a pool before were able to enter a pool safely using the ladder. - Pupils gained the confidence to leave the side of the pool and begin to learn the technique of swimming.	£5300
<u>Gym-Fix Team Services Ltd</u> Removal and disposal of old rubber around KS1 playground. Newly laid matting.	• Equipment and resource - KS1 playground was unusable whilst this matting was surrounding the climbing frame - Students are much more active and thoroughly enjoy the climbing frame now as it is in use	£9720.00

<u>Josh Jenner Ltd</u> The Outdoor Classroom Membership which includes and orienteering program for students to access using QR codes.	• Membership fees - Orienting focused membership used across a variety of year groups - Uplevels our ability as a school to deliver orienteering and provides teachers with a variety of resources.	£600.00
<u>TTS Group</u> Various playground equipment to enhance the lunch time play for KS1 and KS2.	• Equipment and resource - Pupils are active and engaged for longer periods of time during lunch time, as they can all be active at the same time. - Variety of equipment that some will be designated to the equipment area but others will be used consistently at lunch time for all	£408.49
<u>Costco</u> Giant Connect 4 games to encourage a variety of movement and play.	• Equipment and resource - Provides students who want to enhance their strategy or game play without running. - These games are ideal for hot weather as they keep students moving but at a slower and more low impact pace. - Suitable and inclusive for students with mobility difficulties and long term medical conditions	£137.44
<u>Hermeq</u> Playground barriers to cordon off a section to use play equipment. This will be used	• Equipment and resource - Playground equipment in the past has often broken through incorrect use. This	£1100.80

through implementation of a rota for each class. (38 barriers)	clear marked area will help midday staff regulate and oversee the playground equipment whilst allowing each class a fair chance to play with each item. - Equipment will be rotated each day and each class will get to use this space a week at a time. - Equipment will be themed so students can practise certain skills, e.g. catching, throwing, jumping.	
<u>Newham Sports Partnership</u>	• Membership fees - Coaching opportunities - Year 2 boxing unit - Provided club opportunities - Provided coaching for adults	£2996.40
<u>Moved to next school year:</u> <u>BSFG- Cyclepods</u> Scooter and bike racks to house the KS1 scooters and bikes that are ridden to school.	• Active travel - Due to the Healthy School Streets, many students ride their bikes or scooters to school. - Whilst KS2 has a bike and scooter shed, KS1 previously parked their scooters and bikes outside of classes - often resulting in these rolling away during the day. - These cyclepods will allow for students to park their scooters or bikes and maintain a safer way to store these during the day, whilst encouraging students and	£3689.00

	parents to continue to allow students to use these methods of transport.
