BE THE DIFFERENCE

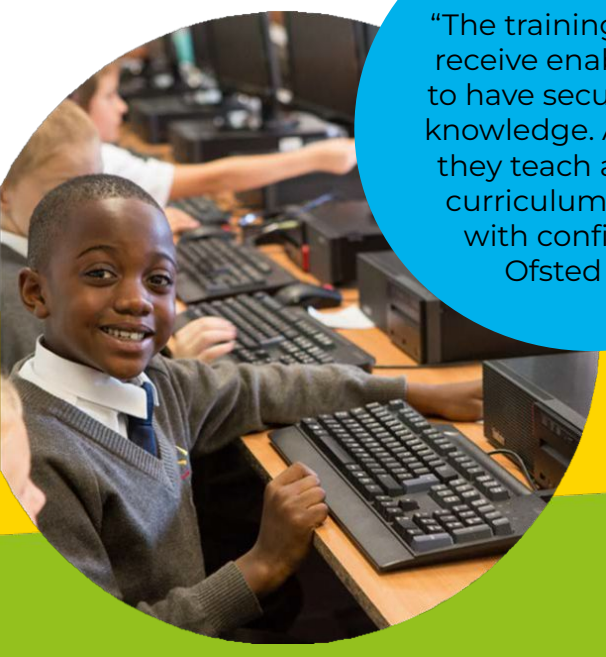

Welcome to Winsor

"Children in early years are helped to gain the knowledge they need to prepare them for Year 1. "

Winsor is a happy and vibrant school located in Beckton, East London. We are a dynamic and supportive school providing children aged 3 to 11with a robust and rigorous education.

We aim to create an environment that is purposeful, inclusive and engaging at the heart of our culturally rich and diverse community. Winsor is a place where children grow into resourceful, independent learners; a school where children develop a thirst for learning which will stay with them throughout their lives.
All our endeavours are concentrated on our vision to develop the whole child, ensuring that we lay the foundations for them to become responsible citizens of the future. We aspire to create an atmosphere where individual strengths are nurtured so that all children can achieve at an outstanding level.
We are very lucky to have a strong and dedicated staff group
who are passionate about the quality of the education they provide; and we actively engage with parents and the wider community,
as we recognise the importance of
encompassing the richness of diversity and
culture into our school.

"The training teachers receive enables them to have secure subject knowledge. As a result, they teach a range of curriculum subjects with confidence "
